

Art of Teaching - Guideline

Overview

Education is the cornerstone of societal progress, and teachers play a major role in shaping the minds of future generations. Art of Teaching is a unique platform designed specifically for educators. The contest aims to honor outstanding educators who employ creative and effective teaching methods to simplify complex topics, ensuring better understanding and retention by students.

Competition Structure

The competition consists of two levels:

1. **First Level:** Video Submission
2. **Second Level:** Detailed Course Design Document

Eligibility

- Open to educators from various colleges and universities.
- Participants should have a passion for innovative teaching methods.

Submission Guidelines

First Level: Video Submission

- **Content:** Create a video explaining the brief description of the selected topic.
- **Duration:** The video should be less than 5 minutes.
- **Format:** Acceptable format includes MP4.
- **Criteria:** The video will be evaluated based on delivery, creativity, clarity, and effectiveness of teaching methods.
- **Platform :** Discord
- **Channel Name :** art-of-teaching

Task 1 : Self Introduction

The first step in growing as a community is to make others aware of each other. So let's break the ice and give Art of Teaching a fresh start. In just a few lines, give us a glimpse into who you are. Share your hobbies, aspirations, or even a fun fact about yourself. Let's get to know the real you!

Sample Message

#aot-self-intro

Hi everyone! I'm [Your Name] from [Organisation/College][District] doing [Course/Job Title] [Branch] thrilled to join this community. I'm passionate about [Your Passion/Interest], and you'll often find me [Your Hobby/Activity]. Looking forward to connecting with fellow learners!

Task 2 : Video Submission

#aot-video

In this task you have to create a video explaining a brief description of a selected topic, ensuring it is less than 5 minutes in duration and in MP4 format. Submit your video with the hashtag #aot-video by sharing a Google Drive or YouTube link. We look forward to seeing your innovative and engaging teaching videos!

Second Level: Detailed Course Design Document

- **Content:** Based on your video presentation, submit a detailed course design document on the selected topic.
- **Format:** The document should be in PDF or Word format.
- **Length:** The document should be between 10 to 15 pages, including:
 - **Course Overview:** Objectives, prerequisites.
 - **Course Outline:** Detailed breakdown of modules/units.
 - **Teaching Methods:** Description of innovative teaching practices used.
 - **Assessment Methods:** How you will assess student understanding and engagement.
- **Platform :** Discord
- **Channel Name :** art-of-teaching

Task 1 : Detailed Course Design Document

#aot-mooc-course

In this task, based on your video presentation, you need to submit a detailed course design document on the selected topic. The document should be in PDF or Word format and between 10 to 15 pages long. It should include:

- Course Overview: Objectives, prerequisites.
- Course Outline: Detailed breakdown of modules/units.
- Teaching Methods: Description of innovative teaching practices used.

- **Assessment Methods:** How you will assess student understanding and engagement.

Submit your document with the hashtag #aot-mooc-course . We are excited to dive into your comprehensive and creative teaching strategies!

Evaluation Criteria

- **Creativity:** Innovative and engaging teaching methods.
- **Clarity:** Clear and concise presentation of the topic.
- **Effectiveness:** How well the methods simplify complex topics for better understanding and retention.
- **Delivery:** Professional and engaging delivery in the video presentation.

Participation Steps

1. **Register:** Complete the registration form available on the µLearn website and social handles.
2. **Submit Video:** Upload your video submission by the specified deadline.
3. **Submit Course Design:** If selected for the second level, submit your detailed course design document by the specified deadline.

Important Dates

- **Registration Deadline:** 15 August 2024
- **First Level Video Submission Deadline:** 15 August 2024
- **Second Level Course Design Submission Deadline:** 30 August 2024
- **Winners Announcement:** 5 September 2024

Awards and Recognition

- **Top Entries:** The best entries will be converted into MOOC courses and made available on the µLearn website.
- **Recognition:** Winners will receive certificates and cash awards.
- **Prize Pool :** 25K
